PARTICIPANTS SO
BE EARLY TO
SECURE YOUR
PLACE IN THE
WORKSHOP

This is an experiential workshop which enables participants to explore the use of the PARTH model in their practice. It encourages participants to explore what constitutes effective practice and to develop strategies for overcoming the challenges to this practice. The PARTH model draws on the findings from the Pathways to Resilience and Successful Youth Transitions research projects (www.youthsay.co.nz). KYS are partners in this research and use the PARTH model in their practice with young people.

PARTH WORKSHOP

Workshop developed by
KYS and the Practice
Research and Professional
Development Hub School
of Social Work,
Massey University
Palmerston North

FACILITATORS

Professor Robyn Munford is based in the School of Social Work, Massey University, New Zealand. She co-leads (with Professor Jackie Sanders) two large national studies of vulnerable young people: Pathways to Resilience and Successful Youth Transitions.

Professor Jackie Sanders is based in the School of Social Work, Massey University, New Zealand. She co-leads (with Professor Robyn Munford) two large national studies of vulnerable young people: Pathways to Resilience and Successful Youth Transitions.

Raechel Osborne is the CEO of Kapiti Youth Support KYS, a free interdisciplinary service for young people aged 10 to 24 years. KYS currently provides services for 5400 young people which has a staff of 38 from different modalities. This includes Drs, Nurses, Clinical Psychologists, Counsellors, Social Workers, Youth Workers, Mentors, Young Mums' programme, Project Youth (LGBTQI+), Financial Capability and Youth Reps.

At KYS Darryl Gardiner provides mentoring services primarily for young males. He also provides supervision and mentoring for KYS staff. Outside of KYS, Darryl provides supervision and training for a range of individuals and groups.

Sue Gardiner works primarily with young mothers and their children providing holistic support including ante-natal and parenting programmes (Triple P/Incredible Years based).
